## INDUSTRIAL GROUP

# About Pad Sepahan Industrial Group

Founded in 1989, Pad Sepahan industrial Group began its journey with a mission to serve Iran's rubber industry and meet customer needs within the framework of national and international standards.

Specialized  
in custom rubber  
solutions

Clients in oil, gas, steel,  
and manufacturing sectors

Over 30 years  
of industrial experience

1,000+ tons/year  
production capacity

Advanced laboratory  
(ISO/IEC 17025 certified)

# EXPERTS IN RUBBER PRODUCTS

---

We specialize in the manufacturing of various rubber articles, offering comprehensive solutions tailored to diverse industries.

# Our Mission & Vision

We strive to elevate product quality, ensure continuous improvement, and deliver innovative rubber solutions to meet the diverse needs of our clients and stakeholders.

## Our Core Values

To lead the rubber industry by offering cutting-edge industrial services, achieving national self-sufficiency, and becoming the first choice for quality.
